THE LORD'S HOME RUN

Freddy and the Lord stood by to observe a baseball game. The Lord's team was playing Satan's team. The Lord's team was at bat, the score was tied zero to zero, and it was the bottom of the 9th inning with two outs. They continued to watch as a batter stepped up to the plate named "Love." Love swung at the first pitch and hit a single, because "Love never fails." The next batter was named Faith, who also got a single because Faith works with Love. The next batter up was named Godly Wisdom. Satan wound up and threw the first pitch. Godly Wisdom looked it over and let it pass: ball one. Three more pitches and Godly Wisdom walked because he never swings at what Satan throws. The bases were now loaded. The Lord then turned to Freddy and told him He was now going to bring in His star player. Up to the plate stepped Grace. Freddy said, "He sure doesn't look like much!" Satan's whole team relaxed when they saw Grace. Thinking he there was no way he could lose, Satan wound up and fired his first pitch. To the shock of everyone, Grace hit the ball harder than anyone had ever seen! However, Satan was not worried; his center fielder let very few get by. He went up for the ball, but it went right through his glove, hit him on the head and sent him crashing on the ground; the roaring crowds went wild as the ball continued over the fence for a home run! The Lord's team won! The Lord then asked Freddy if he knew why Love, Faith, and Godly Wisdom could get on base but couldn't win the game. Freddy answered that he didn't know why. The Lord explained, "If your love, faith, and wisdom had won the game, you would think you had done it by yourself. Love, Faith, and Wisdom will get you on base, but only My Grace can get you Home.

"For by Grace are you saved, it is a gift of God; not of works, lest any man should boast." Ephesians 2:8-9

"For the Lord God is a sun and shield; the Lord will give grace and glory; no good thing will He withhold from those who walk uprightly." Psalm 84:11

Faith United Church of Christ is continuing to hold this preventative health screening event. They have had great success here using our church! Providing access to these screenings will offer residents in our area the opportunity to discover their risk for chronic diseases such as atherosclerosis, peripheral arterial disease, or other vascular conditions. The screenings they provide are conducted by highly trained sonographers using the same sophisticated ultrasound equipment employed by major hospitals. After the results are reviewed by a board certified physician registered in your state, the results are sent to participants within 21 days of their screening. All participants are encouraged to review their results with their personal physician.

An informational flyer will be available at the church or call Mary Catherine Martz for any questions.

I have in my hands two boxes,
Which God gave me to hold.

He said, "Put all your sorrows in the black box,
And all your joys into the gold."

I heeded His words, and in the two boxes
Both my joys and sorrows I stored,
But though the gold became heavier each day,
The black was as light as before.

With curiosity, I opened the black.

I wanted to find out why,
And I saw, in the base of the box, a hole
Which my sorrows had fallen out by.

I showed the hole to God and mused,
"I wonder where my sorrows could be?"

He smiled a gentle smile and said,
"My child, they're here with me."

I asked God why He gave me the boxes,
Why the gold and the black with the hole?
"My child, the gold is for you to count your
blessings.

The black is for you to let go."

LEWISTOWN SUMMER LUNCH PROGRAM

JULY 10th- 13th 2017

Faith Church is happy to participate in this annual outreach for our community for Lewistown

Elementary School Summer Program. Monetary donations are collected for purchasing items for the lunches for around 25-30 children. Thank you to **Mary Frances Bostian** for handling this outreach. Thank you to **ALL** for your donations and support!

Faith Church has participated in a new outreach opportunity in June. Two doctors and a nurse from a local primary care practice made a memorable trip to Honduras on June 17 through 24th, 2017 for health-care and school supplies for the children in need. We are grateful for what we have and wanted participate in this important mission. We thank the doctors and nurses who take their time and professional skills that made this mission in Honduras possible.
