JUST BE YOU.....

"By faith Moses, when he had grown up, refused to be known as the son of Pharaoh's daughter. He chose to be mistreated along with the people of God rather than to enjoy the fleeting pleasures of sin." (Hebrews 11:24-25 NIV)

Be yourself. God made you for a purpose; he made you for a plan. There's nobody who can be you except you. Moses had to deal with this at the very beginning of his life. In Egypt the baby Jewish boys were condemned to die, so his mother put him in a little boat in the Nile River. It happened that the daughter of Pharaoh was taking a bath, and she took this little boy back into the palace to raise him as her own son. Moses had an identity crisis. He was born Jewish, but he was raised Egyptian. He had to ask himself at some point in his life, "Who am I?" This was quite an important choice because it would determine the rest of his life. He was in line to be Pharaoh. If he said, "I'm an Egyptian" and faked his heritage, he would live a life of ease. He would have an outstanding career. He would have fame and fortune. If he said what he really was — Jewish — he would be humiliated, kicked out of the palace, and sent to live with a bunch of slaves for the rest of his life. Yet Moses saw his people being badly mistreated as slaves, and he could not be silent. He was a man of character and integrity. He could not quell his conscious. So he made a decision that cost him the next 80 years of his life. Hebrews 11:24 says, "By faith Moses, when he had grown up, refused to be known as the son of Pharaoh's daughter" (NIV). The word "refused" in the Greek literally means to reject, deny, to totally disown. Moses cut himself off from a promising career as an Egyptian, and he refused to live a lie. Instead, he wanted to do what God had made him to do. There's something liberating about just being yourself. The quickest way to an ulcer is to try to be somebody you're not. If you want to live an effective life, just relax and be yourself.

We will be displaying our supper and bingo dates with information, worship services and events to all the people who drive past us! This is another exciting new improvement for our church! Thank you to Carole Houck for handling this endeavor.

LIKE A TREE / By Erma Grove

I often ponder how a tree
Withstands the fury of the storm,
In winter bears the weight of snow,
And offers shade when summer's warm;
It's roots run deep into the earth
To form an anchor strong and sure,
And then it stretches heavenward
To breathe God's air so clean and pure.
I've pondered, too, on man's conflict,
Of how, within his own small sphere,
He faces storms, bears loads of care,
Yet to his fellowman gives cheer;
How like a tree man's life can be,
With roots of faith in Holy Word,
And upward growth through quiet prayer
Till in the silence God is heard.

UPDATE : Lewistown Summer School Lunch Program.

Faith UCC supported the Lewistown Summer School Lunch Program from July 10-13 by providing 111 bagged lunches over the 4-day period. Mary Frances Bostian took the lead on this program, and she and her daughter Francia Stanley did most of the shopping for the needed supplies. Also helping were Carole Houck, Mary Catherine Martz, and Lindsey Stanley. Thanks to all the members of Faith who made monetary donations and donations of food and other supplies. With your generous support, Faith was able to provide this service without asking for funds from our Treasurer. Great work!

Neighbors in Need Special Mission Offering

Faith will be participating in the Neighbors in Need program on Sunday, October 1, 2017, and envelopes will be provided on that day for the offering. This program supports the UCC's ministries of justice and compassion throughout the United States. Two-thirds

of the offering is used to fund policy advocacy work on issues such as the federal budget, voting rights, immigration, health care, hate crimes, civil liberties, and environmental justice. One-third of the offering supports the UCC's Council for American Indian Ministries.

**We've
Got
Mail**

In JUNE's 2017 newsletter under the consistory business meeting section, we listed our discussion on an outreach opportunity presented by Jennifer Stull for two medical providers and one nurse that were going on a mission trip to Honduras for medical care and to provide school supplies for the children. Consistory approved the outreach and our church donated \$100 towards their purchases. We received this photo flyer with their letter:

"Thank you for your contribution to our mission trip to Honduras! The school located at La Providencia— the orphanage where we served— received over THREE suitcases filled with school supplies donated by our patients, co-workers and friends. We are humbled by your generosity; your giving was more helpful than you could ever imagine. Thank you for reaching out to the school and teachers. They were overwhelmed!"
