Love's True Value

Many years ago all *feelings and emotions* have gathered to spend their vacation on a coastal island. Each of them was having a good time, but one day there was announced a warning of a storm and everyone had to leave the island.

This caused a panic, all rushed to their boats and only **Love** did not wish to be in a hurry. There was so much to do, so Love was the last, who realized that it was time to leave. However, no free boats were left and Love looked around with hope.

As **Prosperity** was passing by in its classy boat, Love asked: "Please, take me in your boat". But Prosperity replied: "My boat is full of gold and other precious possessions, there is no place for you".

Then **Vanity** came by in a lovely boat. Love asked: "Vanity, could you take me in your boat? Please, help me". Vanity said: "No, your feet are muddy, and I don't want my boat get dirty". A bit later **Sorrow** was passing by and Love called for help. But Sorrow answered: "I am so sad, I want to be by myself".

Then **Happiness** came by, Love asked for help, but Happiness was too happy, it hardly concerned about anyone.

Suddenly somebody called out: "Love, I will take you with me". Love did not recognize its savior, just quickly and gratefully jumped on to the boat. When everyone had reached safe place, Love got off the boat and met **Knowledge**. Love asked: "Knowledge, do you know who helped me when everyone else turned away?"

Knowledge smiled: "That was **Time**, because only Time knows Love's true value and what Love is capable of. Only Love can bring peace and happiness".

The message of this story is that when we are prosperous, we underrate Love. When we feel important, we do not appreciate Love. And even in happiness and sorrow we overlook Love. Only with time we realize the true value of Love. Why wait and not cherish Love every day of your life?

October Thoughts

By Erma Grove

*With gentle shower and whispering breeze
God washed the world last night;
Now bright and clean its colors gleam
In crisp October light.
The colors hanging out to dry
Make such a bright array,
They warm the heart and cheer the mind
And make the spirit gay.*

*With no regard for size and shape
The dogwood and great oaks,
In garb that speaks of love and strength,
Blaze forth with scarlet cloaks;
While bright with laughter, spreading joy,
Robed in their mantles gold,
Resplendent maples, sturdy elms,
Faith in the future hold.*

*Abundantly the browns appear
Like coveralls for trees,
To testify of work and worth
And life's securities;
The stately pine retains its green,
Color of living things,
Symbol of growth and health and hope,
Comfort and peace it brings.*

*God washed the world and hung it out
Beneath a sky of blue;
In endless line of the colors blend
Till they are lost from view.
Oh, that from beauty man would learn,
From earth and trees and sky:
All nature tells of God's great love
And brings His glory nigh.*

PRAYER FOR STRENGTH

O Lord, Mighty in Power,
You say that I should have
faith in You so that I will be
upheld. I do, Mighty Lord. I
place all my faith in You.
You strengthen me. Your
holy force keeps my spirit
alive and burning fiercely
for You. I know that with
you I can overcome any-
thing. Thank you for
remaining faithful to Your
chosen people. The You for
guiding me in my life and
helping me to become a
vessel for Your will. I pray
that I continue to put my
faith and trust in You
because You know all
things. You know what the
hearts of Your people need,
and I know You will help me
through whatever this life
brings. Amen
